

We offer the VISILITE PLUS ORAL CANCER SCREENING as a part of our continuing effort to provide the most advanced technology and highest standard of care to our patients. Did you realize that ONE person dies EVERY HOUR from oral CANCER in the United States. Early detection of this pre-cancerous tissue can minimize or eliminate the potentially disfiguring effects of oral cancer and possibly save your life. This is a painless and easy exam that gives the doctors the best opportunity to find any abnormalities you may have at the earliest possible stage. We recommend that you have this oral cancer screening annually as a part of your yearly dental care.

The fee for this exam is \$35.00

If you have insurance with these listed companies they will cover this exam for you under the following guidelines:

United Healthcare Dental : Age 30 and up – one time per year

Guardian Dental: Age 40 and up – one time per 2 years

Humana Dental: Age 40 and up – one time per year

If you have any questions regarding this procedure, please ask our staff. We hope you elect to have this life saving procedure performed as part of your annual continuing dental treatment.
